IAT Group

Occidental Fire & Casualty Company of North Carolina and Wilshire Insurance Company, of the IAT Insurance Group, have provided quality insurance for the transportation industry since 1961. As Associate Members of the American Association of Managing General Agents, we focus on delivering competitive and attractive products through an established network of general agents (GAs). The general agents act as our front-line underwriters. Retail insurance agents submit transportation accounts to the GAs for consideration on behalf of the Company. And, through our Home Office in Raleigh, North Carolina, we have a specialized underwriting team with an average industry experience of 27 years along with a specialized claims and loss control staff. Transportation insurance is all we do so we understand the needs of this industry.
